Success story in > 40 markets

ERGOVENT - a rapidly growing manufacturer of integrated ventilation solutions, based in Lithuania, Northern Europe and exporting to more than 40 countries worldwide.

We take great pride in some of the best ventilation diffusers in the industry, earning appreciation from interior designers, ventilation specialists, and end-customers.

Our premium quality products ensure functional aesthetic solutions for ventilation that organically blend into modern, stylish and trendy interiors.

We aim to become a leading brand in creating new design trends in HVAC market.
